EPIPHANY CATHEDRAL SCHOOL
**Together We Can
Reach for the Star**

The three crowns of Epiphany represent the three kings and the gifts presented to Jesus shortly after his birth. The Star of Bethlehem led the Magi from the East to Christ Jesus. The significance of the Star of Bethlehem was not its brightness, but its part in the heavenly announcement of everything that Jesus was.

Each day at Epiphany Cathedral School we educate young minds, empowering our students with spiritual, academic and character formation. Our school is an educational ministry that enables students to experience a modern learning environment but one that is rich with the traditions of the Catholic faith.

Your generous support helps make a difference in the lives of students and enriches their experience at Epiphany Cathedral School.

Together, we can reach for the star!
