## MISSION STATEMENT

Epiphany Cathedral Catholic school provides an excellence in Catholic education which nurtures a loving relationship with God and builds a caring community that serves others.

## PHILOSOPHY

The developmentally appropriate preschool meets the needs of children who are at various levels of growth and development. Children are unique individuals who must be able to work at their own level. Children may be at the same chronological age but their skills and abilities in motor, auditory, intellectual, and social/ emotional areas may be very different.

The developmental preschool provides experiences for children to develop skills in the above areas by interacting with adults, other children, and materials. Many children need additional time to mature before they are ready for abstract symbols such as the alphabet and numerals.

Correct developmental structuring of the preschool can help provide children with a positive foundation. Self-concept development is enhanced when children are provided with experiences in which they can succeed at their level. Different levels of ability, interest and varying learning styles are used to provide appropriate activities. It is vital that children begin their education with positive experiences that build their skills and their self-concepts. The developmental program can provide such a beginning.

## VISION STATEMENT

Epiphany Cathedral Catholic School sends forth disciples of Christ who serve God and their community, live a virtuous life of faith, joy and purpose according to the gospel values, while being a shining light to others.

## DEVELOPMENTAL PROGRAM

This program is designed to provide concrete experiences through which the child actively learns. Teachers provide modified activities to coincide with different developmental levels of the children. All learning in the classroom results from active movement and participation. The activity areas are uniquely designed to assist the children in acquiring specific perceptual, motor, and readiness skills.

The activity area allows for a high degree of physical movement, verbal interaction and self-concept development. Since the fundamental goals of the developmental program are to increase the child's visual, auditory and language skills, as well as to develop a positive self-concept, each learning area is designed to encompass overlapping skill development.

## RELIGIOUS & CHARACTER FORMATION

Consistent with Catholic tradition the religion & character component of the early childhood program at Epiphany is integrated and infused throughout the curriculum. The child develops an understanding of the faith & values experientially and cognitively at their particular level through participation in prayer, para-liturgy, and religious literature and other experiences. Videos, puzzles, role-play situations, and books are all used to support active learning in connection with gospel values and traditions in this process. However, as the child's first teachers, the parent and family provide the necessary role modeling for faith & character development during family life each day as well.

## ADMISSION & PLACEMENT

Children must be three years old by September 1<sup>st</sup> in order to enter PreK3, or four years old by September 1<sup>st</sup> for PK4/VPK in order to be admitted to the program. **Children must be fully toilet trained (no diapers or pull ups) and without pacifier or bottle.** If a child is registered and it subsequently becomes evident that he/she is not toilet trained, then the child will be excluded from the program. School entry health exam and immunization records are required. Children are placed and grouped according to age as well as consideration of the developmental needs of the child based on the recommendation of the professional staff and the director. Changes in the group assignments at any point in time are at the discretion of the director in conjunction with consultation of the professional staff. Online applications/forms must be completed through our website or contacting our Admissions Office. Fees and tuition are also handled through the Admissions Office.

## ATTENDANCE/ ABSENCE- CALL 941-488-2215.

Success in any field requires continuing daily effort. Nowhere is this more evident than in education. Children are expected to arrive on a regular basis between 7:30-7:45 A.M. since this is when the formal program begins each day. When a student is absent, the parent should call the main school office at 488-2215 between 7:45 A.M. and 8:30 A.M. to explain the absence. Calling the second day of the illness is not necessary. However, if the absence extends to three days, please call again to keep us informed. Please leave a message on the recorder if necessary. ALWAYS SEND A SIGNED, DATED WRITTEN EXCUSE FOR THE ABSENCE UPON THE CHILD'S RETURN TO SCHOOL. BE SURE TO LIST THE DAYS & DATES OF ABSENCE. THE TEACHER HAS ABSENTEE FORMS IN THE CLASSROOM FOR YOU TO USE. PLEASE TAKE AS MANY AS YOU NEED.

**NON-DISCRIMINATION CLAUSE:** The Catholic Schools of the Diocese of Venice in Florida restates their open admission policy. No person on the grounds of race, color, sex, national or ethnic origin is excluded, or otherwise subject to discrimination in receiving services at any school operated by the Diocese, nor do they discriminate in employment on the basis of age, race, color, sex, disability, national or ethnic origin. Non-Catholic students whose parents or guardians accept the philosophy of the schools in the Diocese will be accepted on a space available basis.

The Epiphany Early Childhood hours are from 7:30A.M. to 2:30P.M. from Monday through Friday. After 7:45 A.M. is considered tardy. Pick up may occur until 2:30pm at the gate. Some children may be picked up earlier according to the designated time for which you have enrolled your child (11:30am is enrolled for VPK mornings only). The After School Program operates from 2:30-5:30PM for a fee. **Registration is required for the After School Program.** School calendar will be given with closure dates and early release days. An adult must walk children to the check in table. Remember to sign in with your first and last name on the clipboard and indicate the person who will pick up your child. In order for the program to begin promptly at 7:45 A.M. be sure to arrive a few minutes before that time with your child so that there is enough time to put backpack, lunch box and rest mat away. In this way the teacher may begin in a timely fashion. Depart promptly. **Kindly continue conversations with other parents outside the designated sign in area. Be sure to carefully and attentively supervise any younger siblings (especially toddlers) that you may bring along during pick-up and drop-off times. The classrooms are designed for**

**3 and 4 year old children. We love to see the infants and toddlers but ask that you watch over them so that no injury occur. Late: After 7:45 am.**

## VISITORS

Only children who have been formally registered in the program will be admitted to Epiphany Cathedral Early Childhood classes. Adults visiting must first enter and sign-in at the main school office and receive a visitor's badge. This includes volunteers during lunch time and field trip chaperones. All volunteers &/or chaperones must complete the Diocese of Venice Safe Environment training as well as fingerprint / background check.

**DISMISSAL/ RELEASE OF CHILDREN-** **Enter through main school office if all gates are closed.** Children must be picked up at the gate by 2:30PM or earlier if so designated according to the enrollment hours for your particular child. ## HEALTH RECORD

Each preschool child must have a Florida Certificate of Immunization and an updated Student Health Examination form on file before starting class. All immunizations and documentation including Hep B, Hib, DTP, Polio, MMR, and Varicella must be up to date and show an expiration date. Annual updated health exam records are necessary. Religious exemptions are no longer accepted.

## DISCIPLINE

The discipline policy of the preschool is one of loving guidance. It corrects, strengthens, and ultimately helps your child learn to control his/her own behavior. Support and encouragement with consistent limits will be used while maintaining the child's dignity. A "time-in" another supervised area may be used in situations that warrant it. No physical punishment, demeaning scolding, isolation, or denial of food snacks, or drinks will be used as disciplinary measures.

## BEHAVIOR

After an adjustment period most behaviors of young children begin to even out and adapt to the daily routine as well as interactions with peers and professional staff. If behavior becomes a concern, then a conference with the parents may be necessary. Some strategies, alternatives or a referral to another professional may be required in order to address the behavior issues. Ultimately, exclusion may be necessary if all efforts fail to assist the child, parent, and staff. In that event other resources or placement in another appropriate setting may become necessary.

## INSURANCE

School insurance (secondary) is included in the registration fees. Coverage includes school hours and activities. Primary coverage remains the responsibility of each family for their child (ren).

## FIRE DRILLS/ SAFETY DRILLS

Fire drills are held once a month in accordance with regulations. Other safety drills, such as code red, code yellow and tornado drills are held as needed.

**EMERGENCIES** In the event of severe weather (tornado, hurricane, etc.) school personnel will follow official directives issued by Sarasota County and Diocese of Venice. Tune into your local TV or radio stations for more information.

## CHANGES OF ADDRESS/ PHONE NUMBER

*Please promptly notify us of any change of address or phone number as soon as it occurs.*

*Call the main school office directly at (941) 488-2215 or send the information to the teacher. **Make changes in FACTS.***

## VOLUNTEERS

There is a special screening form, fingerprinting cost and background check which volunteers must complete before they will be scheduled. There is also a short workshop to attend known as "Safe Environment" which is required by the Diocese of Venice. Once cleared all volunteers must check in at the main school office each time and sign in to receive a visitor's pass. In the event that a parent is called to chaperone a field trip they must likewise first sign in at the main school office. The classroom teacher will provide guidelines for appropriate supervision of the children.

## ILLNESS

A child must not be brought to school with any form of communicable illness or condition. This includes, but is not limited to, fever, severe coughing, excessive runny nose, respiratory distress, head lice, scabies, strep, conjunctivitis, undiagnosed/ unidentified rash, or any other conditions or combination of symptoms which are determined to be problematic. He/ she must be free of fever, vomiting, diarrhea, and any other potentially infectious secretions for a period of 24-48 hours before returning to school. If your child becomes ill during school hours, you will be notified to come take your child home or to a doctor. If you cannot be reached, the emergency person listed on the emergency contact list will be contacted. PLEASE SEND A SIGNED, DATED, WRITTEN EXCUSE EXPLAINING YOUR CHILD'S ABSENCE WITH THE DAYS & DATES OF ABSENCE UPON THEIR RETURN TO SCHOOL.

## MEDICATION

If an antibiotic is prescribed, then he/she may return to school only after 24 hours on such medication with the approval of the child's doctor. Epiphany Cathedral Early Childhood may require a doctor's note in certain circumstances in order to be sure that the child is free of communicable illness. Medication can only be administered to the child at school out of necessity and when it is accompanied by a signed doctor's note/ prescription. This applies to over-the-counter medications as well. The medication must be in the original prescription container. The prescription label must show the child's name, doctor, doctor's phone number, type of medication and dosage. Specific instructions as to dosage and time of day in which it may be administered must be included. An affidavit signed by the parent/ guardian authorizing Epiphany staff to administer the medication to the child must be on file at the school as well. These forms are available from the teacher or director. All medications will be stored in a locked cabinet in the school office.

## SCREENING

Vision, hearing, and speech screenings may be offered during the school year. You will receive email communications about the specific dates. The teacher or assistant will verify with you as to permission for your child's screening as they are scheduled and offered. Also, your signature on the acknowledgement at the back of this handbook will suffice as permission for such screenings unless we have a signed note from the parent/ guardian which declines the screenings. Other screenings such as those mandated by VPK funded children will be administered.

## SUPPLIES & REST MAT

Each child should have a large backpack, rest mat, snack, lunch box. No violent images on lunch boxes, backpacks or rest sheets please. **No pillows or sleeping bags** are permitted. Rest mats will be sent home at the end of each week to be cleaned and returned for use on the next school week. Children may also need an additional small lightweight blanket. Teachers may ask for other items/supplies that are needed on a "classroom wish list" throughout the year.

## SCHOOL UNIFORM

The preschool uniform - consists of a red Epiphany logo polo and navy blue logo shorts or pants for both boys and girls. Any color socks- full anklets over the ankle may be worn as well. No low-cut sport socks are permitted. Also, navy blue sweaters, sweatshirts, with buttons/ zippers, may be worn in the classroom and/or outdoors. Heavier outer coats of any color/ type may be needed for colder days. Please cut off drawstrings on jackets and pants as a safety measure. **BLUE JEANS** or any type of jeans ARE NOT PERMITTED. All clothing must be marked with the child's name. An extra set of clothing for all children, to include shorts, top, socks, underclothes, (and an extra pair of shoes, if available,) in a plastic

bag clearly marked with the child's name will be kept in the backpack to have on hand for emergencies. The extra set of clothes does not necessarily need to be the uniform but should still include easy to pull on elastic waistband shorts.

Sneakers with elastic or preferably self- closures are required at all times. Zipper closures are acceptable as well, as long as the child can easily zip them. Velcro and zipper closure combination works well and reduces the chance of children having shoes slip off while walking, playing or running. Sandals, crocs, clogs, flip-flops, boots and shoes without treads are not permitted at any time, which includes special out-of-uniform days. Avoid tie shoes unless your child can tie them alone. Check with the teacher or the director.

### **SPECIAL OUT-OF-UNIFORM DAYS**

Appropriate attire on these announced special days consists of shirts, shorts, pants, skirts, or dresses. Elastic waistband is preferred for ease of dress. Avoid difficult clothing with straps, zippers, buttons, or belts. Jumpsuits, bike or spandex shorts are not permitted. If dresses/ skirts are worn, then shorts must be worn under them as well. Shoes/ sneakers with elastic, Velcro or zipper closures are necessary. Once again, sandals, crocs, clogs, flip-flops, boots, and shoes without treads are not permitted. Avoid tie shoes unless your child can tie them on their own.

### **PICTURE DAYS**

On days when school class or individual pictures are scheduled information will be sent home as to the specific dress code for picture days. If for some reason this falls on a day, which is not one of your child's regularly enrolled times or days of attendance, then you will be invited to bring the child specifically for the photo sitting only and take them home immediately afterward.

### **JEWELRY/ NAIL POLISH/ TATTOOS**

No bracelets, chains, necklaces, rings, jewelry etc. may be worn. Girls with pierced ears may wear small studs. Looped or dangling earrings are a safety **hazard** in this setting and should not be worn. Boys may not wear earrings of any kind. Nail polish and tattoos are not permitted at any time. Belts are not to be worn as well.

### **TOYS/ CANDY/ FOOD/ GUM/ MONEY**

Please do not allow your child to bring any of the items listed above. With the exception of food in the lunch box, a toy related to Show & Tell, these items are inappropriate. No violent images of any kind, including toy weapons, are permitted. No toys may be brought to school unless it is at the request of the teacher for a specific purpose.

### **SHOW AND TELL**

Show and Tell days will be indicated for each classroom by the teacher. Your child's teacher will keep you informed. Only send toys or items that will fit into the backpack. **NO OVERSIZED ITEMS ARE PERMITTED.**

### **ADVANCEMENT TO THE NEXT LEVEL**

Advancement to the next level/ class is dependent upon the judgment of the professional staff and in consultation with the child's parent(s) or guardian.

### **ASSESSMENT**

Each school year the teachers will begin to complete developmental skills assessments on each child enrolled in Epiphany Early Childhood Center. Once completed, the results will be available to parents in order to keep them informed of the child's progress. You may make or request a copy of the results for your records. Then sign, date, and return the results to the teacher. At the beginning of the school year parents/ legal guardians may be asked to complete a social-emotional profile for their child. As needed, the teacher will meet with you to further discuss your child's progress. Teachers will make themselves available throughout the school year for conferences as needed. Feel free to make an appointment. Assessments may include: DECA, ASQ-3, VPK assessments, or other needed assessments. Hearing, vision, and speech screenings may also be offered. Referrals for further evaluations may be necessary.

### **FIELD TRIPS**

If or when field trips are planned, advance notice is given. Signed permission slips are required for each trip, whether walking field trip or otherwise, are necessary. Parents/ Guardians will be notified of any fees related to the activity & you will have the option to have your child attend the trip or not. Your child is eligible for the field trips scheduled on their days/ times of enrollment only.

## HEAD LICE

Regularly & thoroughly check for head lice. During breaks from school, there may be more opportunities for transmission from child to child as they go about recreational activities at other facilities and vacation spots. Most often it is contracted by direct contact but also by contact with clothing, furniture, combs, hairbrushes etc... that may carry lice. **If treatment is needed, then ALL steps must be followed.** Alert other places that the children go such as dance, sports, and other homes of relatives or friends. This takes cooperation and vigilance.

## NUTRITION/ SNACK/ LUNCHESES

It is the parent's/ guardian's responsibility to provide a nutritional snack & lunch for the child. Please include a beverage. An ice pack must be included in the lunch box if food is to be kept cold. All necessary utensils and napkins must be included in the lunch box. **Epiphany Early Childhood will provide additional water as needed. Families are asked to provide a nutritious snack everyday for their child.** Families are asked to provide a snack for their child in the After School Program each afternoon if they are staying beyond 2:30pm. We ask that snacks be healthy and nutritious. Some suggested snacks may include: fruit, vegetables, cheese and crackers. For the lunch from home consider including a dairy product each day along with other major food group items.

**LUNCH -** Those staying for full days must bring their lunch from home or may order from our hot lunch program. Children who are leaving at 11:30am will NOT NEED to bring a lunch due to their dismissal time. Lunches should contain an ice pack as well as a napkin and plastic silverware if needed.

**PE-** Specific physical education class for those enrolled full days may be offered as the master school schedule allows. Otherwise, all preschool children receive time on the playground in the mornings each day unless inclement weather prevents it.

## BIRTHDAYS/ PARTIES

Children may celebrate their birthday in school at one of these specific times as long as pre-arrangement with the teacher has been made. You may send a birthday treat with your child and the staff will distribute it at the appropriate time. It must be **sealed in store bought packaging with ingredients listed**. This may take place outdoors as weather permits. Please consult the classroom teacher for suggestions of birthday treats.

## INVITATIONS

Invitations to parties outside of school can be sent to school for distribution only under one of these conditions:

1. The entire class is invited. 2. All boys only are invited. 3. All girls only are invited.

Otherwise, you have the option of **mailing** invitations to whomever you would like to invite.

## PARENT SUPPORT

Parental support of school programs, especially in the case of very young children, is essential. Parents need to play an active role in helping their children develop personal responsibilities by working to establish routines, goals and by monitoring their progress. It is important to develop and maintain a relationship with the teacher and assistant as well in order to be consistent in nurturing the children at home and at school.

Please feel free to get in touch with the teacher or the director should any concerns arise. We are here to support your role as parents and are willing to work with you and your child's needs.

**We are so pleased & blessed to have your child here at Epiphany. Please let us know how we may be of further service to you throughout the school year. CALL us at 941-488-2215.**
